REMEMBER

WHEN THE KIDS FIRST GOT ME ?

I'd fly through the air, they'd bounce me all the way from the house to the school, I would hear their shouts of joy as they played with the other kids. Sometimes we would all play together at the courts!! I miss that... Heck, Dad, all I need is a little air for 60 minutes of play each day. Please ?? I heard basketball is BIG in Indian Country.

P.S. Get ideas. Get involved. Get going at letsmove.gov/indiancountry.

Believe In Tomorrow™
National Children's Foundation

92% reaches the kids. 100% reaches your heart.

When 92% of each dollar goes directly to programs, you are making some child's life more bearable.

When you take their minds off pain and refocus it on adventure, they suddenly realize there's more to life than illness.

When you help build, donate or equip retreat and hospital housing for these children, you speed their recovery and restore some sense of normalcy to shattered families.

When kids believe in tomorrow they are that much closer to having one.

Make believing possible.
